

## **UPDATE ON THE MHA CO-SANCTION**

Due to the difference in RRA and MHA rules, the Executive Committee has voted to make the following changes for the 2023 season.

Team Roping: due to the enter twice at the MHA rodeo the RRA will count only the highest placing for the RRA standings. Example: a contestant places first and third, only the first placing, 400 points, would count for the RRA.

Junior Events: all junior contestant may enter and count points in both junior and senior events for the whole season and then choose which to be either junior or senior before the RRA finals.
