

RULE CHANGES – 2020

1. **Jerk Down Rule:** A contestant will receive a \$150.00 fine if he brings the animal over backward, with the animal landing on the back of his head with all four feet in the air (between 10 and 2 on a standard clock). That fine to be doubled with each offense. That fine to be given to the contractor whose animal is affected.
2. The committee fee will be raised from \$5.00 to \$6.00 per contestant.
3. **Enter Twice in the Rough Stock:** The committees would have the option of offering the 2 head and the contestants would have the option of entering on 1 head or 2 head with 2 purses and 2 entry fees. The points would be the same as entering 2 rodeos. All around points would be taken from the highest placing. The contestant would need to specify if they were entering the 2 head when they enter through central entry.
4. A contestant would need to attend 30% and round up individual rodeos to win a year end award. The two head rodeos would count as one rodeo.
